#### San Diego County's Priority Sectors

San Diego's employers can be categorized into industries like Ship Building & Repair, and those industries can be grouped into larger sectors of the economy like Advanced Manufacturing. Seven of these sectors are high-priority if you're looking for a career in San Diego County because they provide at least 10,000 positions in the 72 priority jobs.

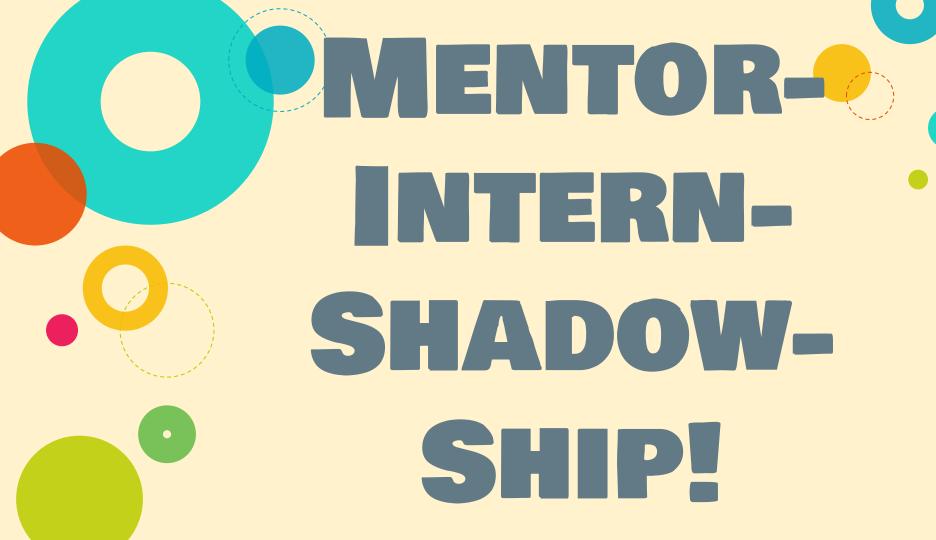

## \$20K

for a part-time teacher/coordinator

## Local industry partners

to be guest speakers
for industry tours
for job shadow experiences
to be mentors
for internships
and for possible jobs after graduation

Forecasting

## THE ASK

Kids Beyond the Kitchen!

### THE ASK

Partner with an owner (or CEO or manager) of a restaurant chain to work together in the development of a template for fifth grade students to connect with employers, corporations, and related industry to experience problem seeking and problem solving in a real world restaurant.

#### \$15,000

- Support for teachers to develop curriculum and programming, in cooperation with restaurant staff.
- Compensation for business employees to meet with and spend time with our students.
- Student and staff transportation to and from the restaurant location.
- Marketing budget for partner restaurant to work with students to develop and implement students' innovative ideas.
- Materials and supplies

SCHOOL BUS

## THE ASK 2

- Staff and students meet with various business staff to learn about all aspects of the restaurant industry.
- Schedule time for students and staff to visit and engage at restaurant and/or corporate office to gain experience and understanding in the restaurant setting.

# Current Reality

- Kids are asking, "Why aren't there fun restaurants with good food, family oriented, that have something we like and our parents like?"
- Parents are asking, "Why are our restaurants closing and why don't these restaurants exist?"
   Parents are asking, "Why does it cost so much to grab dinner midweek?"

# Desired Reality

- 97% Graduation Rate
- \* 78% College, 22% Other (Military, World of Work, Etc.)

### **District Overview**

#### YOUTH MENTAL HEALTH

BY THE NUMBERS

1 in 5 children ages 13-18 have, or will have, a serious mental illness.

50% of all lifetime cases of mental illness begin by age 14.

#### Suicide

leading cause of death in youth ages 10-24.

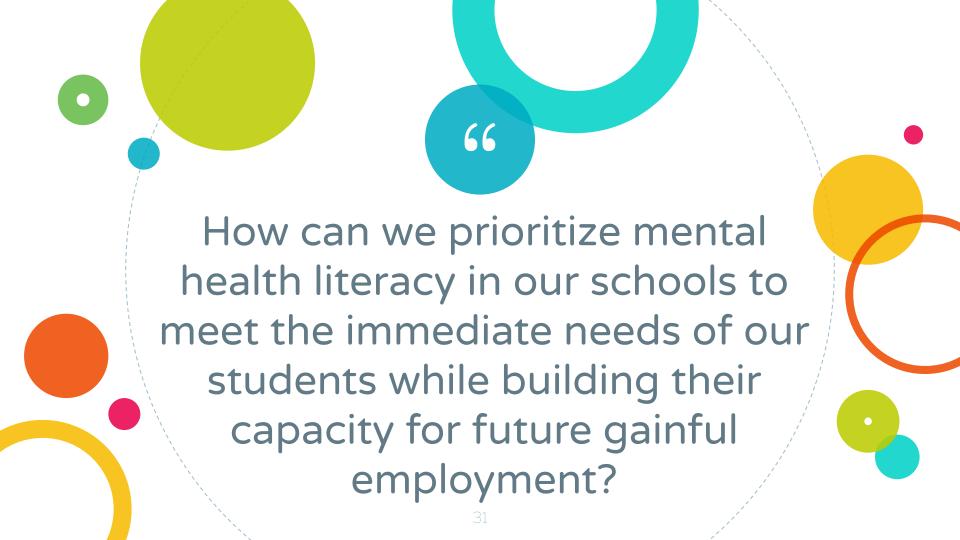

Appx. 50% of students age 14 or older with a mental illness drop out of high school.

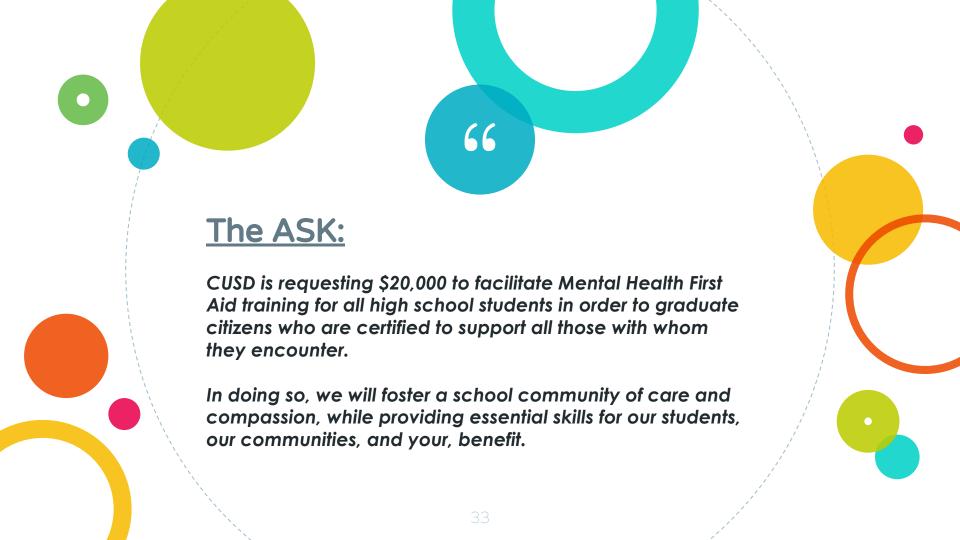

#### Partnerships & Collaboration:

In addition, CUSD is requesting partnerships with the local business community to engage in presentations, trainings, and experiences between your staff and our students. These will be mutually beneficial and designed to build the capacity, agency, and soft skills of our students - while promoting awareness and decreasing the stigma of mental health in your workspaces.
